AFS Host Families May Submit Applications Now

Torrance families interested in having a foreign student in their homes during the 1964-65 school year may apply to the American Field Service now, reports Mrs. Mary Bartholmew, home placement chairman for the Torrance AFS chapter.

Schools in the Torrance chapter include North, South, Torrance, and West High Schools. Families living in these school attendance areas with high school students of their own are eligible to apply for foreign students.

Foreign exchange students the 16 to 18 years old, and are members of the senior class during their stay in the United States. All students have an excellent knowledge of English.

Exchange students are given \$14 a month for spending money, and the host family is responsible only for room and board.

REQUIREMENTS which host families must meet include: a sincere desire to have a foreign student in the home and a willingness to treat him as a member of the family; a non-working mother, or if the mother works, she should arrive home at the time which the student would arrive home from school; a bed for the student, although he may share a room; and a child in high school. The youngest parent must be at least 37 years of age.

Families who are interested in the student program should contact Mrs. Bartholmew at FA 8-7057, or Mrs. Joseph Dock, FR 8-6063. Counseling offices at each of the high schools also have information on the program.

The Torrance chapter now has three students attending schools, and hopes to have five exchange students next year.

Student Serves as Committee Member

Gary Ritchie, son of Mr. and Mrs. W. M. Ritchie of 819 Beech, has been named to the homecoming committee at California State Polytechnic College, Pomona. Gary is a junior majoring in agricultural business management.

Telford Elected

Edward T. Telford, metropolitan district manager, State Division of Highways, has been elected president of the Engineer's Club of Los Angeles for a one-year term. He succeeds Walter H. Gates of Consolidated Western Steel Division, who will serve as chairman of the board.

Church Plans Service for Thanksgiving

"They Did Not Give Thanks to Him" will be the sermon topic at the First Presbyterian Church of Gardena today and a service of Thanksgiving will be observed Thanksgiving morning at 10 a.m.

Located at 1957 Redondo Beach Blvd., the church holds worship services each Sunday at 11 a.m. with nursery care provided. Church schools are conducted in two sessions: the first, at 9:30 a.m. for all ages; and the second, at 11 a.m. for children three years through sixth grade.
